To  
The Director  
State Council of Educational Research & Training  
Porvorim- Goa

**Sub: Design Thinking Workshop**

**Ref: Letter No. DTE/BUD21/CARES/DESIGN THINKING WORKSHOP/2021/3402**

Sir,

In line with the National Education Policy (NEP) - 2020 the Project Management Unit (PMU), Directorate of Technical Education, SCERT- Goa in collaboration with DESIGN FOR CHANGE INDIA, will be conducting a pilot level implementation of Design Thinking in 30 schools of Goa. As part of the pilot a 03-Half Day Design Thinking orientation session will be conducted on online mode for selected teachers .

This workshop will enable the teachers to understand and apply the Design Thinking framework for solving problems that arise in their immediate ecosystem: *Classrooms /Community/Workplace and Personal Life*.

Each trained teacher has to then implement a 8 week Design Thinking lesson plan for the students in their respective schools. These students will be motivated by teachers to submit Design thinking based projects for evaluations. Based on the feedback of the pilot project, a detailed proposal will be formulated to implement Design Thinking in all the schools.

The teachers (Placed in Annexure -I) are proposed to undergo training and implement the 8 week pilot project in their schools.

The three day online sessions and 8 week implementation plan dates are as follows:

**Teacher Orientation:** 5-6-7 Jan 2023 from 03:30 pm to 05:30 pm online mode

**School implementation:** 9th Jan 2023 and 6th March 2023

**Submission of projects:** 13th March 2023

Kind request to depute the teachers as in Annexure -I for the Design Thinking pilot implementation and roll out.

Yours Sincerely

  
30/12/2022  
[Dr. Vijay Manino Jesus Borges]

Project Director-PMU
